- How to get your blue badge certified
- The best way is in the Google knowledge graph
- Press with your name on the internet
- Have a Wikipedia page – must have many very good articles about you (Wikipedia is very strict) – Google knowledge graph is much easier
- Outside of Wikipedia - if your name has shown up a lot in other ways (ie. many people type your name on Google, or you have paid for Google ads and YouTube ads)
- The more press talk about you, the easier it is for you to get your Tiktok badge

# Organic Growth Fast Strategy 16

- Be authentic
- Build your own character
- Publish what you feel good and funny about
- Keep it simple and easy
- Don't affect by other people's opinion
- Keep going every single day even if you have criticism
