

# Organic Growth Fast Strategy 9

- Videos with virtual effect in it
- Audience like virtual effect in TikTok
- Find professionals who know how to do it and pay them for the project
- Fiverr.com & Upwork.com

# Organic Growth Fast Strategy 10

- Write compelling text in the description
- If you put text in the video, people will spend more time on your video, the more points you will earn TikTok algorithm.
- Earn more points = earn more views and more like
- If your video has a funny description, people will replay your video again and again for it, from this you will earn a better ranking and have more followers
- Your ranking will improve with the more views you have

# Organic Growth Fast Strategy 11

- Never write anything in the video
- You can repost the video with no words in it (change duration & music,etc)
- TikTok likes videos with no words
- It's not like IG so no need be perfect in TikTok video
- TikTok likes messed up videos
- You can try a video with no words and 10 days later upload the same video with words to see which one has more views

# Organic Growth Fast Strategy 12

- Split 2 positions of the video with a famous celebrity
- This will gain more views, likes and followers
